## FLAWLESS SURFACES

Our doors have a flawless appearance with Lacquer Touch surfaces.

## 12 mm NOTCHED ARCHITRAVE

Side architraves are delivered with notched architrave, ensuring ease of installation.

## POLYURETHANE GLUE

By using polyurethane adhesive, we enhance the water and moisture resistance of our doors.

## EASY INSTALLING

Our doors can be easily installed with a drill and screwdriver.

## ADJUSTABLE ARCHITRAVE

Thanks to the adjustable architrave, the frame width can be increased by up to 2 cm.

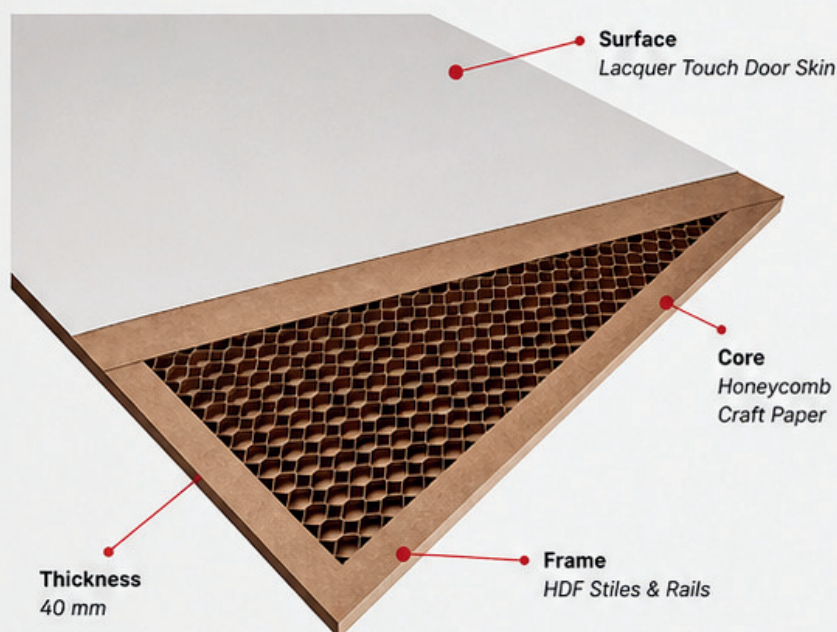

## EXTENSION FRAME

For wider walls, the thickness can be expanded by 8 cm using an additional extension device.

2100	80	18

# MORE FUNCTIONAL

# MORE DURABLE

Our products are designed to provide long-lasting protection against high pressure impacts, scratches and fading with the durable LACQUER TOUCH surface coating for many years.

The fact that our doors are not heavy ensures ease of transport and installation, while also contributing to comfortable use with their smooth opening and closing and long-lasting performance.

*You can safely use our products on scratch and fade resistant LACQUER TOUCH surface coated solid and high pressure resistant MDF for many years.*

*While the fact that our doors are not heavy provides great convenience in transportation and assembly, it also affects the easy opening and closing and long life during use.*

## PRODUCT FEATURES

### SCRATCH AND FADE RESISTANT

#### ANTI-SCRATCHING AND FADING

Thanks to the high quality coating of our doors, our products are resistant to scratching and fading for many years.

*Scratch and fade resistant, it is a product that you can use for many years without deteriorating the surface quality.*

### EASY CLEANING

#### EASY CLEANING

Our products have the feature of easy cleaning thanks to the Lacquer Touch surface.

*Our products are easy to clean thanks to the Lacquer Touch surface.*

### SOUND INSULATION

#### SOUND INSULATION

Thanks to their high sound insulation feature, our doors provide a more comfortable living space.

*Our doors provide an added level of comfort due to their high soundproofing feature.*
